## HENAAC Conference

Reminder, our national conference HENAAC is right around the corner. **Early bird registration has been extended to September 22<sup>nd</sup>.** The conference runs from Wednesday October 18<sup>th</sup> through Sunday October 22<sup>nd</sup>. Great news! We will be providing transportation for Thursday October 19<sup>th</sup>. Make sure to register for the conference as soon as possible as prices will rise after early bird registration closes. **Use coupon code: 3FS25** to save 30% this code brings down the price to \$210 for three nights of QUAD housing from Thursday October 19<sup>th</sup> through Sunday October 22<sup>nd</sup>. We will be granting limited \$100 scholarships, the deadline is September 29<sup>th</sup>, so make sure to email me if you are interested

"SHPE has impacted my life in a positive way by allowing me to open up to people more easily, help me network and gain lifelong friendships along the way. Coming into Sac State, I was not so happy with my choice of school but after joining this familia I have now come into realization that it's not so bad and that college is really what you make of it and with that, joining this club was one of the best decisions I have made so far in this journey. The members of this club were so open and welcoming to me even though I did not start off as a STEM major and because of that, it allowed me to break out of my shell and be myself around the members. I also admire how there are so many open opportunities through this club and how helpful and caring everyone is to one another." – Amy Raudes
