## *HENAAC Conference*

HENAAC is fast approaching and Early bird registration has now closed. The conference runs from Wednesday October 18<sup>th</sup> through Sunday October 22<sup>nd</sup>. We will be granting limited \$100 scholarships, the deadline is September 29<sup>th</sup>, so make sure to email me if you are interested

"Hola Familia! I am your current SHPE Vice President and for your 'Meet your SHPE Board' scoop this week, I wanted to tell you a little more about myself.

I frequently get asked, "Why Civil Engineering?". Luckily, I was part of PLTW (Project Lead the Way) Academy in my high school, Cordova High, where I had the opportunity to create several projects ranging from truss bridges to arduinos.

Something I look forward to this year is the Regional Leadership Development Conference! I was fortunate enough to attend RLDC at Oregon in 2016 and our very own RLDC here earlier this year! Attending this year's conference will lead you towards more internship opportunities, new friends from all of Region 1, more professional contacts and professional development workshops! Keep a look out for more information regarding this amazing conference!"
